

BC-USDM101-3-CB | Wall Switch - 2 BUTTON DIMMER

120V Wireless 2-Button Dimmer Wall Switch

BC-USDM101-3-CB Bluetooth mesh dimmers provide automatic lighting control for a variety of indoor applications. They can replace any standard single-pole wall switch. 2-Button can be used for On/Off, and dimming controls. The configurations of each button can be personalized at the field. Typical applications include public restrooms, private offices, classrooms, conference rooms, storage spaces, and break rooms.
