INSTALLATION INSTRUCTIONS

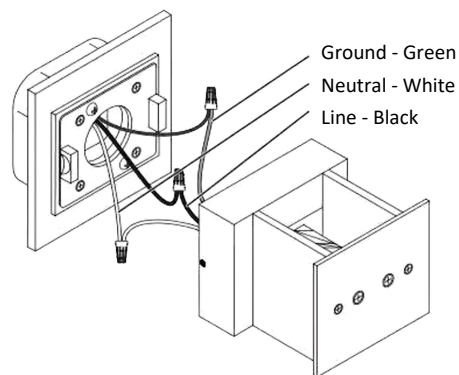

Fig. 1

Install the junction box (not included): dimensions: 3,61"x3,61"x1,59".

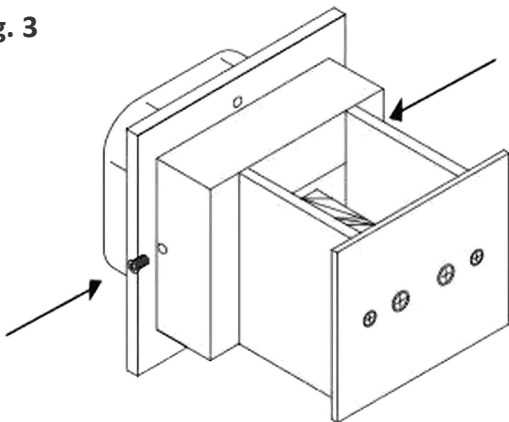

Install and unshield the line feed wire 6" and strip wires 5/8".

Fig. 2

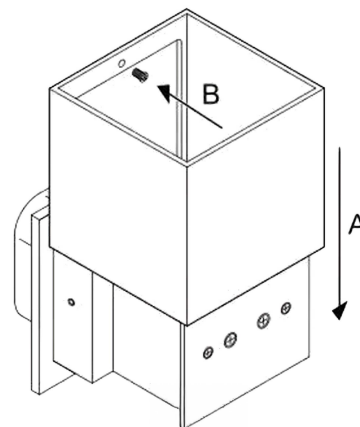

To make the connections in the compartment: use the included wire connectors to match the white wire from the line feed with the white wire from the fixture, repeat with black wire and then connect copper wire (ground) to the green wire.

Fig. 3

Push all the wires inside the junction box and secure the fixture on the mounting bracket using the 2 set screws.

Fig. 4

(A) Slide the lampshade onto the fixture.
(B) Install set screw to lock lampshade in place.
